Featuring our Newest Church Plant

REDEMPTION community church

In February at our local conference's annual meeting, there was a motion to recognize Redemption Community Church as an official mission work of the Eastern North Carolina Conference. [We'll be recognized as an official church after we launch] This motion was passed, which not only gives us the blessing and support of our conference and sister churches, but also gives us our 501(c)(3) (nonprofit) status, a very important step for us as a church. There was also a special prayer of blessing for the church plant. We came away feeling very encouraged and thankful, and I'm so grateful for my brothers and sisters at the conference.

One of the blessings of this church plant is our partnership with

the Mt. Pleasant AC Church. With Mt. Pleasant closing down and investing in the Redemption plant, having access to the facility on 42 Highway in Clayton is a huge blessing! Church planters can usually only dream of starting off with a building. That being said, one of our big tasks is to renovate and repair the building to prepare it for our launch and welcome new families from the community. We're doing this

through monthly workdays (like the ones you see), connections with contractors and skilled individuals, and donations to pay for various work. We'd love to have you join us for a workday!

Our official launch isn't until **September 15th**, but until then there are several things happening to build up our team and prepare for the big day!

Sunday, April 21

Launch Team Sunday

This Sunday is our first Sunday morning gathering for our entire launch team. *We'll be meeting at the church at 10:30 am for worship* [with kids programming]. These gatherings will take place **every 3rd Sunday** of the month until we launch for the purpose of building up our launch team, inviting new people in to check out what we're doing, and to worship God! **We'd love to have you join us! The address is 3171 NC 42 W, Clayton, NC.** Our next gathering is May 19th.

Saturday, April 27

Next Workday

Do you like to paint? Well you're in luck! Our next workday at the church plant is next Saturday, the 27th from **9am-noon**. The agenda for that day will be lots painting, spackling and sanding, and hauling of trash into a dumpster. If you're free next Saturday morning, come by for a bit and join the fun! **3171 NC 42 W, Clayton, NC.**

⁴ In all my prayers for all of you, I always pray with joy ⁵ because of your partnership in the gospel from the first day until now, ⁶ being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus.
